\* Member, Professional Apprentices Program

***I Want a Country* will be performed without an intermission.**

Second year rehearsal projects are laboratories for actors to continue to develop their individual processes, putting into practice elements of craft they are exploring in class. These projects challenge students to collaboratively create the world of the play while employing their technique in the service of bringing other peoples' stories to life.

Special thanks to Katie Geissinger, Mark Olsen, Orlando Pabotoy, Megan Paradis Hanley, Darryl Quinton.
