* Member, Professional Apprenticeship Program

Director, Professional Apprenticeship Program..... Helen Taynton

At the same time the 2nd year students begin their exploration of the naturalistic plays of Chekhov in their Scene Study class, they stretch their theatrical muscles in an entirely different way in their third project of the year. For this year's *Adrienne Kennedy Project* they work as an ensemble to create a theatrical world that incorporates dance and uses heightened language in order to expand their notion of truth on stage beyond the bounds of naturalism.

Studio 306
