COMPOSERS & CHOREOGRAPHERS 2015

The Rosemary and Meredith Willson Theater

The Juilliard Dance Division is proud to present the results of a unique course offered at the school – The Composers & Choreographers Workshop. This particular mentored course is offered every fall term at Juilliard.

Six choreographers from the third year of the dance program are invited to collaborate with six composers enrolled in the music degree programs. Process and collaboration are the key words in this course. The students are here to explore, discover, to sharpen their perceptions, and to grow as artists. This course has proven invaluable to many students, composers and choreographers, over the years as it exposes the challenges of collaboration and demands that a mutual vocabulary be found in order to solve problems as they arise in the creative process.

We sincerely hope that you will enjoy this very special performance.

Lawrence Rhodes
Artistic Director

Welcome to Composers & Choreographers' fifth season in the The Willson Theater. We are excited to present the work of our talented 2015 artists as they present their work in this slightly site-specific, three-sided stage with multiple "fronts", and where the musicians are fully recognized as part of the stage picture. The collaborative teams have risen to the challenge of creating these new works in constant dialogue with one another since September. Throughout their process in the Composers & Choreographers course, the pairs have sought common ground in uniting their respective languages of music and dance toward the creation of a shared vision. We hope you enjoy these six premieres in this wonderfully intimate venue.

ABOUT THE PRODUCTION DESIGN

MÁRION TALÁN (Costume Design) has nurtured her talents in design by working closely with many local artists, directors and performers in New York City. Currently she is the Wardrobe Supervisor at The Juilliard School. Some of her work includes *Glaciers* by Liz Gerring at The Joyce (2015); *Talksikan* for Ballet X (2015) and *Fold by Fold*, for Aspen/Santa Fe Ballet (2013) by Norbert De La Cruz; *In Real Time* by Joe Salvatore at the Provincetown Playhouse (2015); *Composers and Choreographers* as well as *Senior Production* with The Juilliard School Dance Division (2005-2015); coordinating costumes for *SECUS* and *From MAX and THREE* by Ohad Naharin at The Juilliard School (2010 and 2012); 2010 version of Jerome Robbins' *N.Y. Export: Opus Jazz* at The Juilliard School; designed *RESET* for Troy Ogilvie in collaboration with choreographers Margie Gillis, Austin McCormick, Harumi Terayama (2012); *Contact Sport* by Larry Keigwin + COMPANY (2012).

LIGHTING DESIGN for *Composers and Choreographers* in the Willson Theater is provided by the Third Year Stagecraft Class of Susan Hamburger. The class was divided into lighting design teams and assigned to the six pieces. The focus was on general concepts, color, rhythm and intensity. Ms. Hamburger provided support and guidance with cueing as the student teams created individual looks for each piece. This experience is a vital step in familiarizing the class with the Willson Theater and with lighting design in general since they will be entirely responsible for lighting Senior Production in this space in the spring.
